Extra- Curriculum Activities & Achievements

Research Project:

Geography Field Researcher, University of Nairobi, 2023

Research Focus: *Urban and regional Development in the Nairobi Metropolitan Region.*

- Conducted an on-site investigation socio-economic and environmental dynamics in the Nairobi Metropolitan Regions (*Dandora Slums, Tatu City, Konza Technopolis and Kajiando County*).
- Analyzed development drivers such as the informal economy in Dandora and the potential of its youth population.
- Assessed the role of emerging urban centers in regional transformation and presented findings on addressing challenges through collaborative and innovative solutions.

Innovation Showcase

Delegate, University of Nairobi Innovation Week, 2023.

- Showcased my innovation, CBC360 application and website design, demonstrating innovation in educational technology.
- Demonstrated the apps potential to enhance the competency-Based Curriculum (CBC) by providing interactive learning solutions.

School Leadership

School President, Kauti Secondary School, 2018 – 2019

- Led and managed students' activities
- Facilitated communication between students and school administration
- Organized events
- Mediated conflicts among students

Lead Vocalist

Kauti Secondary School, 2017 & 2018

- Led the choir to the national level twice winning 3 trophies in national level competitions.
